Polling Locations

Due to the increase in Grafton's population after the 2020 Federal Census, precinct lines have changed for a small portion of residents to accommodate the growth. The changes will go in effect on December 31, 2021, but require additional steps sent from the State for Town approval before those effected will be notified. Due to changes effecting many cities/towns in the state, this process will carry into the new year in order for the State to complete all changes. Further announcements will be posted when available. No additional precincts will be added and all precinct locations will remain the same and are as follows:

Precinct 1 – Grafton Middle School – 22 Providence Road

Precinct 2 - Grafton Middle School – 22 Providence Road

Precinct 3 - Grafton Middle School - 22 Providence Road

Precinct 4 - Millbury Street Elementary School- 105 Millbury Street

Precinct 5 - Millbury Street Elementary School- 105 Millbury Street
